

Renew Prayer and Worship (Acts 2:42)

Prayer: “a thought turned God-ward.”

1. Prayer must be a priority (Psalm 108:1-4; Luke 18:1).

- We give **glory** to the donor.
- We **express** a value to the **gift**.
- Our asking shows us that we place our **dependence** upon God.
- We put **honor** upon prayer which God has put honor upon already.

2. Our church is to be known as a House of Prayer (Isaiah 56:7).

3. Our church is to be known as a House of Worship (John 4:24).

What is worship? Every **fiber** of my being focused on every aspect of God in order to bring Him **glory**.

- We should be **energized** in the way we worship (Psalm 100:1-2).
- We should be **excited** about who we worship (Psalm 100:3)
- We should be **enthusiastic** when we worship (Psalm 100:4-5).
