 - e. No frontal hugs!
2. Believe (I Timothy 2:3-4; Acts 16:31; John 3:16)
We are not helping people convert to our church; we are helping them convert to Christ.
3. Become (Jeremiah 29:11)
God created them for a unique purpose and plan.

PRINCIPLES

1. **Make the most of the unique opportunities in the place where God has planted us.**
2. **God promises to empower and enable us to become a five star church.**
3. **The problems appear tough but the possibilities are greater.**
4. **Every assignment is holy ground because Jesus gave Himself for the people who live there.**
5. **God wants every ministry to bloom, to bear magnificent fruit and to have strong roots.**
